

Lynne Stretton

B.Sc. (Hons) Agriculture
(University of Edinburgh)

Senior Research Officer
Rural Business Research Unit

lynne.stretton@askham-bryan.ac.uk

Research Interests

- The process of data collection and analysis, the design of surveys, questionnaires and recording forms and the analysis and presentation of results
- Whole farm, enterprise gross margin and comparative analysis of farm performance
- Extensive experience in collecting financial, performance and attitudinal information from farmers and the analysis of the data

Current Projects

- Farm Business Survey, an in depth investigation into the economics of farming, looking at all farm types in Yorkshire, Lancashire and Cheshire
- Survey of farmer intentions

Recent Publications

Responsible for the production of the series of annual benchmarking data booklets
“Farming in Yorkshire, Lancashire & Cheshire”
