

Dear Graduate

A national survey capturing the activities and perspectives of graduates known as Graduate Outcomes, launched in 2018 and is the biggest annual survey in the UK.

We need your responses to this survey to allow current and future students to make informed choices and to help us to evaluate and promote our courses. The survey only takes 10 minutes to complete online and you can access it on any device.

### **Be part of the picture**

You will receive an e-mail invitation from [askhambryan@graduateoutcomes.ac.uk](mailto:askhambryan@graduateoutcomes.ac.uk) approximately 15 months after you completed your course with us. You may also receive SMS messages from Graduate Outcome and calls so you can be helped to complete the survey over the phone. Please do look out for these interactions from us and the Graduate Outcomes team.

### **Update your contact details!**

To support the survey, we are required to hold accurate personal contact details for you to enable the Graduate Outcomes team to contact you directly to obtain your survey response. This must include a personal e-mail address, at least one direct telephone number for, and a postal home address (this can be a parental/guarding address).

To ensure you can be contacted about the survey, we would be very grateful if you could now review and update the personal contact details we currently hold for you. This is particularly important where the details we currently hold may be out of date eg. Where you have moved or no longer have access to shared e-mail/mobiles/landlines.

To that end, please use the link below to complete the online form with your contact details.  
<https://forms.gle/PmZfmz19FvSYwdtm9>

You will find our privacy information policy attached to this e-mail.

### **About the survey**

The survey will be delivered by the Graduate Outcomes team which is part of the Higher Education Statistics Agency (HESA) on behalf of the higher education funding and regulatory bodies and higher education providers. The funding and regulatory bodies commission the Graduate Outcomes survey and require HESA and higher education providers to work together to deliver the survey. HESA have published privacy information for students on how your contact will be used and can be accessed via the link below.

## Who we share student information with

We routinely share student information with :

- educators and examining bodies;
- awarding bodies;
- UCAS;
- suppliers (provision of catering, transport, etc);
- careers services;
- our local authority and your previous school;
- local authority SEN teams (if you have an EHCP, so we can discuss what support we can put in place for you and review that support);
- ESFA;
- Ofsted;
- Office for Students (OfS);
- the Department for Education ("DfE");
- Higher Education Statistics Agency ("HESA")(see Appendix A below) and
- Student Loans Company;
- an employer offering work placement to a student;
- anti- plagiarism services such as "Turnitin", etc

## Why we share student information

We will share your data with some third parties, including the ESFA, LEAs, OfS, Ofsted, Student Loans Company, Higher Education Statistics Agency ("HESA") and awarding bodies where this is necessary

for the provision of your education or other core purposes and or where there is a statutory obligation to provide this information.

The ESFA, on behalf of the Department of Education (“DfE”) and other successor bodies will use your data to exercise its functions and to meet its statutory responsibilities, including under the Apprenticeships, Skills, Children and Learning Act 2009 and to create and maintain a unique learner number (ULN) and a personal learning record (PLR). Your information will be securely destroyed after it is no longer required for these purposes. To see how the ESFA will use your information, please go to <https://www.gov.uk/government/publications/esfaprivacy-notice>

**Your information may be shared by the ESFA with third parties for education, training, employment and well-being related purposes, including for research.** In some instances, the DfE and the English European Social Fund (ESF) Managing Authority (or agents acting on their behalf) may contact you in order for them to carry out research and evaluation to inform the effectiveness of training. **This will only take place where the law allows it and the sharing is in compliance with data protection legislation.** The DfE is the data controller for personal data processed by the ESFA.

Where your consent is required for us to share your information with third parties for extra curricula activities, for example for surveys, organising offsite activities, contacting you about alumni events, and for non-core purposes such as the provision of catering and transport, there will be a clear purpose for the sharing and a data sharing agreement will first be put in place to define expectations for the use, control and security of that data. You can withdraw your consent at any time; but if you refuse to allow the College to share your personal data with these third parties, this could prevent the College from providing some or all of its services to you.

The European Social Fund Managing Authority (or agents acting on its behalf) may contact you in order for them to carry out research and evaluation to inform the effectiveness of training.

For more information about the DfE’s data sharing process, please visit:

<https://www.gov.uk/data-protection-how-we-collect-and-share-research-data>

To contact the DfE please go to <https://www.gov.uk/contact-dfe>

In some cases, it may be necessary for us to share your personal data with a third party organisation such as the Police and or Social Services, without your consent, for instance, where it is in your “vital interests” to do so, such as in an emergency situation, where it may not be possible to obtain your consent.

## **Extra curriculum activities**

The College is also required to process and share your personal data with your consent for some extra curricula activity purposes, for example for surveys including collecting destination/progression data and marketing, including texting, awards ceremony invitations and alumni.

Where we do this, there will be a clear purpose for the sharing and a data sharing agreement will first be put in place to define expectations for the use, control and security of that data. You can withdraw your consent at any time; but if you refuse to allow the College to share your personal data with these third parties, this could prevent the College from providing some or all of its services to you.

## Transferring your personal data outside of Europe

Unless otherwise stated, your information will remain at all times within the UK and or European Economic Area (“EEA”).

If we have to transfer your personal data outside the EEA, we will only do so where:

- the recipient or recipient country ensures an adequate level of protection for your personal data;
- the recipient or recipient country is subject to an approved certification scheme or code of conduct with binding and enforceable commitments which amount to appropriate safeguards for your personal data;
- we have put in appropriate safeguards with the recipient or recipient country to protect your personal data such as a data sharing agreement;
- the transfer is permitted by law; or • you expressly consent to that transfer.

## Requesting access to your personal data

Under data protection legislation, students have the right to request access to information about them that we hold. To make a request for your personal information contact, contact the College’s Data Protection Officer, Judith Clapham, either by contacting Judith at [judith.clapham@askham-bryan.ac.uk](mailto:judith.clapham@askham-bryan.ac.uk) or at [DataProtection@askham-bryan.ac.uk](mailto:DataProtection@askham-bryan.ac.uk)

- object to processing of personal data that is likely to cause, or is causing, damage or distress;
- in certain circumstances, have inaccurate personal data rectified, blocked, erased or destroyed; and
