Learning is in our nature.

2020 Further Education Information Guide
OPEN EVENTS

We offer several Open Events at all our campuses throughout the year. Open Events are a great opportunity to tour our grounds and facilities, meet our staff and learn about our courses. Our campuses are based in York, Newton Rigg, Middlesbrough, Newcastle Gateshead, Saltaire and Wakefield. We also have Information Evenings when tutors, lecturers and support staff from accommodation and transport are available to answer your questions.

Tuesday Information Evenings
1 October 2019
3 March 2020
12 May 2020

Saturday Open Mornings
9 November 2019
1 February 2020
21 March 2020

Taster Days are scheduled at our York and Newton Rigg campuses. Date and times are listed on our website and continuously updated with new sessions. For the latest schedule and to book your place, go to www.askham-bryan.ac.uk or www.newtonrigg.ac.uk.

A LITTLE BIT OF INFORMATION YOU SHOULD KNOW

We have tried to ensure that all of the information provided in this prospectus is accurate and up-to-date as possible. However, sometimes details can change. Where there are differences between the contents of this prospectus and our website, the contents of the website take precedence. Please always check the website before you apply. Please note, all photographs are for illustrative purposes only.

Askham Bryan College is a specialist land-based college that offers a wide range of courses which will prepare you for a career you’re passionate about pursuing.

We offer the perfect place to study if your aspirations lie in the outdoors with fantastic educational facilities, industry-specialist lecturers and easy access to the stunning countryside. We can make your student experience second to none.

Our partners

Why choose us?

- **7,000 acres of land**
- **500+ cattle**
- **Six locations across the North**
- **Landscaped Estate**
- **Outstanding Ofsted Care Standards**
- **Transport Links to and from campus**
- **Wildlife and Conservation Park on site at our York campus**
- **State-of-the-art Digital Farm**
- **£2.4 million Agriculture and Engineering Hub**
- **Four farms across two campuses**
WHERE TO STUDY

York
The main campus, situated just outside York, provides students with the full suite of programmes connected to land-based and outdoor-related learning. The College is equipped with industry-matched facilities and set in a vast estate which provides students with the environment to develop their subject skills and experience. Accommodation is available on site.

Askham Bryan, York Y023 3FR
01904 772277

Newton Rigg
Newton Rigg is our other main campus, situated just outside Penrith in the Lake District. It offers students an outdoor education experience in a unique and inspiring setting with access to fantastic natural resources. Newton Rigg has a diverse range of general education programmes linked to the needs of the locality making it the perfect setting to learn new skills. Accommodation is available on site.

Penrith, Cumbria CA11 0AH
01768 893400

Middlesbrough
Our Middlesbrough campus, located at Stewart Park, comprises 120 acres of parkland, with a mature woodland, an arboretum and two lakes which provides a habitat for a diverse range of species. The park is also home to a range of farm animals including fallow deer, llamas and goats.

Stewart Park, Middlesbrough, TS7 8AR
01642 327998

Newcastle Gateshead
A great city location for our Veterinary Nursing programme.

7 Queens Court, Queensway North, Team Valley, Gateshead NE11 0BU
0191 4911275

Saltaire
Located in the UNESCO World Heritage Site of Saltaire, a selection of our Animal Management study programmes are delivered at Shipley College. The facility is easily accessible by bus or train from Leeds, Bradford, Ilkley, Keighley, Bingley and Skipton.

The Mill Building, Victoria Road, Saltaire, Shipley BD18 3LA
01274 327261

Wakefield
This newly refurbished location in the city centre is just a short walk from the bus and train station. Students divide time between this campus and the Animal Management Centre at York.

Bullring House, 23 Northgate, Wakefield WF1 3BJ
01904 772277

Go to page 18 for information about transport links to our campuses.
We take a proactive approach to our study programmes, with a focus on being ‘job ready’. When you take that first step to embark on your future career, we strive to prepare you to understand work values and equip you with the necessary skills required to enter your desired profession.

OUR STUDY PROGRAMMES

Main qualification
Your main qualification will be a mixture of practical ‘hands-on’ work and classroom-based theory sessions which will normally be assessed by a mix of assignments, practical assessments and exams.

Enrichment... but with a business twist!
Enjoy your favourite enrichment activities and also identify transferable skills: ‘leadership’, ‘dedication’ and ‘reliability’. You’ll develop the mind-set to apply these elements when securing that future career.

Student Appraisal and Employability
Appraisals happen every six to eight weeks and keep you on track with achievements, progress, attendance and punctuality. Employability sessions prepare you for work placement, progression into employment, writing a bio or blog and building a CV.

Work placement
All courses have work placement hours as part of their study programme. Land-based, Health and Social Care, Childcare and Veterinary Nursing students have required work-placement hours as part of their main qualification. Work Placement Coordinators help find appropriate placements whilst monitoring progress and achievements. Our ‘Employability Coaches’ are also available to help. you’ll upload photographs, blogs, videos and develop values recognised by employers such as discipline, mutual respect and resilience... a fantastic start for CVs!

English and Maths
English and Maths knowledge underpins all career pathways. These basic skills are essential for academic progression and securing employment. As such, you may need to continue studying them alongside your main programme to improve existing grades.

Independent study
Our curriculum teams will help you understand the best way to learn by working on a course-specific project studied independently or collaboratively.
## OUR PROGRAMMES

Individual full-time course guides with information about the course study are available to pick up and also online.

Go to our websites for further Foundation Learning programmes including Entry 1, Level 1 Vocational and Retail Level 2.

[www.newtonrigg.ac.uk](http://www.newtonrigg.ac.uk)  [www.askham-bryan.ac.uk](http://www.askham-bryan.ac.uk)
ENTRY REQUIREMENTS

These entry requirements are a general guide. Normally we would expect you to move to the level above the qualification you have just achieved. Some courses require particular skills whilst others require grades and qualifications.

At interviews, we confirm your suitability for a course. We can assess your English and Maths skills to ensure you are placed on the right level classes. If you’re a mature student, we take your professional and educational experience into consideration.

Maths and English
As part of our study programmes, we support those students who achieved:

- Grade 3 (D) in Maths and English to achieve a 4 (C).
- If you have four GCSEs, but a 3 (D) in Maths or English, we will still consider your application.
- We will consider a 3 (D) in Science, as long as you have a 4 (C) in English and Maths.

Courses with additional requirements...

Level 2 Introduction to Nursing and Welfare
- Four GCSEs at Grade 4 or above (old GCSE grading C or above) to include English Language, Maths or Science, plus two weeks of work experience with suitable references in any animal-related placement.

Level 2 Study Programmes
- Equivalent to GCSE Grades 4 – 9 or A – C, developing knowledge in a particular work sector.
- Four GCSEs at Grade 3 (old GCSE Grade D) or above to include two from English, Maths and Science, with at least a Grade 2 (old GCSE Grade E) in the remaining subject. Alternatively a suitable Level 1 vocational qualification with English, Maths and Science at Level 1.

Level 3 Study Programmes
- Equivalent to A-levels with in-depth knowledge, skills and understanding.
- Four GCSEs at Grade 3 (old GCSE grade C) or above, to include two from English, Maths or Science with at least a Grade 3 (old GCSE grade D) in the remaining subject. Alternatively a suitable Level 2 vocational qualification (Merit or above) with English, Maths and Science at Level 2.

What if I don't get the grades?
Don't worry! We can often transfer your application to a more suitable course, providing we have availability.

Entry Level 2 and 3
- Basic level programmes that build a foundation of confidence, knowledge and skills.
- No formal qualifications, but you need Entry Level 2 before progressing to Entry Level 3.

Entry Level 3 or equivalent qualifications or four GCSEs at Grade 1 – 2 (old GCSE Grades E – G).

Level 1 Study Programmes
- Step up from basic knowledge and a platform to learn skills in a particular work sector.
- Entry Level 3 or equivalent qualifications or four GCSEs at Grade 1 – 2 (old GCSE Grades E – G).

Level 2 Veterinary Nursing
- Five GCSEs to include English Language, Maths and Science Grade 4 or above (old GCSE grading C or above). Students must have secured employment within a veterinary practice or have been offered an apprenticeship position.

Entry Level 2 and 3
- A Level 3 qualification in Agriculture with GCSE Grade C or above in English Language and Maths. Also suitable for people who have significant agricultural experience. All learners must be employed within the industry.

Agriculture Higher Apprenticeship Level 4
- Five GCSEs at Grade 4 or above (old GCSE grading C or above). Students must have secured employment within a veterinary practice or have been offered an apprenticeship position.

www.newtonrigg.ac.uk
www.askham-bryan.ac.uk
Apprenticeships are work-based programmes. This pathway is a combination of training on-the-job and formal study at the College. Students will attend College either on day release or in study blocks. At least 20% of an apprentice’s time on programme is spent studying, this includes time at College and training provided by their employer.

To be eligible for an apprenticeship you need to be in a suitable job role and in paid employment, and a majority of your learning will take place at your workplace. We cannot provide placements, but we may be able to help guide you in your search for a suitable job. As a starting point, try searching on apprenticeships.gov.uk.

We do apprenticeships in the following areas:
- Agriculture
- Animal Management
- Aboriculture/Tree Management
- Construction Plant Maintenance
- Environmental Conservation
- Equine
- Game and Wildlife Management
- Golf Greenkeeping/Sports Turf
- Hair and Beauty
- Hire Controller
- Horticulture
- Land-based Service Engineering
- Veterinary Nursing

Entry Requirements
Level 2 Apprenticeship
- Level 1 Maths and English equivalent to GCSE grade 2 (old GCSE grade E) or above, plus suitable and relevant employment. Students will be expected to work towards Level 2 Maths and English where this has not been achieved.

Level 3 Apprenticeship
- Applicants should have considerable work experience plus suitable employment with an appropriate level of responsibility. They must be capable of achieving or have achieved Level 2 in Maths and English.

There may be additional requirements on specific apprenticeship programmes.

Programme Fees
Programme fees would be met by the employer. There may be other incurred costs such as accommodation for any block weeks or transport required for college attendance. Please check with your employer with queries about additional costs.

Information for Employers
If you are an employer, please refer to our websites for further information with regards to running apprenticeship programmes.

www.askham-bryan.ac.uk/apprenticeships
www.newtonrigg.ac.uk/apprenticeships
HELLO AND WELCOME FROM YOUR STUDENTS’ UNION

Your first day at College is a big step! The staff are always supportive and go the extra mile to ensure you have the best education and student experience whilst you are here. The College is proud to offer a variety of subjects to suit a range of interests. From farms to forests, engine to equine, there is an overlap of study areas, allowing students from all subjects, from all campuses, to interact – especially at our Students’ Union events that run throughout the school year.

The Students’ Union office is one of the friendliest places on campus. Please pop in and meet us!

CAMPUS LIFE

Campus life is what happens when you are outside the classroom, whether you’re living in our accommodation or off campus. We understand that this is just as important to you as your studies.

There are many opportunities to get involved in where you can meet new people, make new friends and take part in activities such as ice-breakers, course trips, Fresher’s Week events and our annual Mardi Gras-themed Fresher’s Ball.

Student Union Events are held throughout the year too. Our Valentine’s Ball, trips out paintballing and careers events where you meet employers are just a few examples.

Attend our cinema nights, house competitions and even a ski trip! You can also access facilities at our other campuses such as our Wildlife Park, our gyms, and our hair and beauty salon. Looking to join our sports clubs? Why not join our football, netball or rugby teams.

Equality, Diversity and Inclusion

Equality, diversity and inclusion are at the heart of our College’s vision for our staff and students. We understand the importance of fairness and value the contribution everyone can make here.

Student Support

It is our job to make reasonable adjustments or provide services such as a dedicated support worker or additional learning materials that suit your needs. Depending on your circumstances, we take careful consideration and appropriate measures if you have an Education, Health and Care Plan.

Student Services

Our Student Services team’s top priorities are the health, safety and welfare of our students. The team is available to offer advice and support for matters from well-being to finance. A 24-hour helpline is also available whenever needed.

Work Placement Coordinators

We have an experienced team of work placement coordinators. They work with our employer contacts to secure valuable professional experience opportunities for meaningful placements – no tea making here!
TRANSPORT TO COLLEGE

There are major transport links to the Askham Bryan College and Newton Rigg campuses on local bus routes. Full-time students can ask about travel arrangements from various designated pick-up points. Contact our transport office to talk through options or visit our website for the latest routes.

*Please note route information relates to 2019–20 academic year and may be subject to change.

We also have local pick up points across the city of York.

Attending our campuses at Middlesbrough, Saltaire or Wakefield? Contact our Transport Team to find out the best options and support for you.
transport@askham-bryan.ac.uk
01904 772225
LIVING-IN WITH US

You don’t have to wait until University to experience living away from home…

We offer on-site accommodation at Askham Bryan College campus in York and at our Newton Rigg campus in Penrith.

➔ We have a generous bursary scheme that could help fund your stay.
➔ A choice of en-suite single rooms, shared rooms and facilities.
➔ For under 18s, all meals are included in the accommodation package.
➔ We have plenty of support on site, including wardens to keep you safe and help you adjust to living away from home.
➔ We have a range of activities you can get involved in outside of college hours.
➔ The residential experience allows students from across the country to study with us.

Applications for September will open from Easter.
If you still have questions, please contact the Accommodation Office:

Askham Bryan College
01904 772246
accommodation@askham-bryan.ac.uk

Newton Rigg
01768 893709
accommodation@newtonrigg.ac.uk

Living on campus will help you...
➔ Develop independence
➔ Make new friends
➔ Take part in a range of enriching activities

420 residential rooms in our accommodation graded as ‘Outstanding’ at our last Ofsted care inspection.
APPLY TO US

Visit us at one of our Open Events or look out for us at one of your school’s career events. Speak with your parents, guardian or careers adviser about the courses you’re interested in and find the ‘best fit’ for your future aspirations.

Apply
Complete the application form online at www.askham-bryan.ac.uk or download a version which can be printed off from our website. You can apply for a course at any time during the year, but it is best to complete your application as early as possible to be assured of a place on your chosen course.

Interview
Once we receive your application, you will then be sent an interview date and time with the relevant course manager via text message – please give us a call if you need to rearrange. Don’t be nervous, it’s an opportunity for you to tell us more about yourself and ask any questions you might have.

Offer
If you have had a successful interview, you will receive a course offer detailing the qualifications and grades you need to secure a place on the course. Please confirm with us whether you accept the offer or not.

Get Organised
This is the time you need to be sorting transport, finance and booking accommodation. Don’t leave this too late or you could miss out!

Results and Enrolment
At enrolment you must bring evidence of your results or relevant certificates. If you haven’t met all of our entry requirements, you should still attend enrolment and we will try and offer you a place on a suitable alternative course.
University Centre Askham Bryan offers university-level degree programmes.

A Higher Education qualification offers greater opportunities to progress onto your chosen career and access to new and exciting experiences across a wide range of professions.

We have specific Degree Open Events during the year:
- Saturday 12 October 2019
- Saturday 23 November 2019
- Saturday 28 March 2020
- Wednesday 10 June 2020

Advanced booking required. To book your place, visit www.askham-bryan.ac.uk/what-on.

Our higher education degree programmes are awarded and validated by:

- Harper Adams University
- Royal Agricultural University
- Leeds Trinity University

For further details on courses and how to book visit store.askham-bryan.ac.uk, or call us on the following numbers:
- Askham Bryan College 01904 772211
- Newton Rigg 01768 893400

Invest in you, your staff or your business

Our part-time, short courses and skills training give you an opportunity to enhance your skills, improve your career prospects, boost your earning potential and develop a leisure interest that can eventually turn into a new career.

Examples of the types of course areas available:
- All-Terrain Vehicles
- Canoeing
- Chainsaw Use
- Dog Grooming
- Floristry
- Garden Design
- Horticulture
- Landscaping
- Navigation
- Pesticides spraying
- Rock Climbing
- Transport of Livestock

BURSARIES AND LOANS

Further Education Programmes*
There are no course fees if you are a full-time student from the UK or EU aged 16 – 18 on 31 August of the year you start your course.

Age 19+
Advanced Learning Loans are available for learners aged 19 and above to fund Level 3/4 courses such as diplomas and management qualifications.

Bursaries are also available for students aged 19+. Visit www.askham-bryan.ac.uk or www.newtonrigg.ac.uk for further details.

These loans cover tuition fees and can be paid back once you complete the course and earn more than £21,000 a year, so there is no upfront cost.

Even if you already hold a similar qualification, such as A-Levels, you can still apply for your first loan. See sfengland.co.uk, or for further guidance visit: gov.uk/advanced-learning-loans.

If you are aged 19+ and in receipt of benefits, please contact our Finance Office for further advice on potential fees: Askham Bryan College 01904 772211

Apprenticeship Programme Fees*
Any programme fees will be met by the employer. Other costs may be incurred, such as accommodation for any block weeks or transport required for college attendance. Please check with your employer about any additional costs.

Financial Support
Visit www.askham-bryan.ac.uk/students to see if you qualify for the following:

➔ Free Transport
➔ Free Meals
➔ Personal Protective Equipment (PPE) Bursary
➔ Residential Grants (if you’d like to live-in and need financial support)
➔ Further Education Vulnerable Bursary — £1,200 per year
➔ 16 – 19 Discretionary Support Fund — up to £1,200
➔ Advanced Learning Loan (Level 3, 19+ only)
➔ Childcare Grant — up to 80% towards costs per week
