

“Living at Askham Bryan, you are embraced by a community of like-minded people. You get to grow and develop with these people and have a support network of wardens and students. The skills I have developed and learned by living in, have shaped me as a person.”

Emily-Jane, Animal Management student

* Following government advice due to Covid-19, our open events are currently being held online; we will resume on-campus open events as soon as we possibly can.
