

## Askham Bryan College Transport (York Campus)

Please note all timetable information contained in this booklet relates to 2019/20 academic year, but the existing routes, pick-up points and times are subject to change for the new academic year.

\*Free transport is available to students on full-time courses and applies only to the College (bus) operated transport routes and designated pick-up points.

College funded transport does NOT include your travel to and from pick-up points.

Students must register their interest for transport as part of the application process and have their allocated route and place confirmed by the College Transport Team.

**All pick-up points will be stopped at for drop off.**

**Askham Bryan College Study Centres**  
Free transport to our other study Centres can be arranged, please contact our Transport Office for further details.
