

Advanced Learner Loan

ASKHAM BRYAN COLLEGE

If you are considering studying a Level 3 or 4 Further Education course with Askham Bryan College you may qualify for an Advanced Learner Loan.

These loans have been introduced by the Government to help you pay for your college tuition fees. From August 2017 most learners aged 19 and over studying at Level 3 and above will qualify.

- It's easy to apply
- You can take out a loan to pay all your course fees or just part – it's your choice
- Your household income isn't taken into account and there's no credit check
- The loan goes straight to the college to pay for your fees
- You will not pay anything back until your income is over £21,000 a year

How do I Apply?

Please contact Student Records on 01904 772211 before you apply - to complete the application you will require further information from the College.
