

Academic Fees Refunds Policy 2021-2022

Equality Impact Assessment: Askham Bryan College recognises the importance of the Equality Act 2010 and its duties under the Act. This document has been assessed to ensure that it does not adversely affect staff, students or stakeholders on the grounds of any protected characteristics.

1. POLICY STATEMENT

- 1.1 This policy sets out the circumstances in which the College will refund tuition fees to students. This policy should be read in conjunction with the Student Protection Plan, available at: <https://www.askham-bryan.ac.uk/higher-education/key-information-for-applicants>
- 1.2 The College's Academic Fees Refunds Policy applies to all students irrespective of the method of payment.

2. WITHDRAWAL BY THE STUDENT OR CANCELLATION BY THE COLLEGE

- 2.1. There may be times where the College needs to discontinue a course(s) or decides not to provide the course(s) or to merge or combine the course(s) with other courses of study, for instance due to insufficient numbers, etc.
- 2.2. The College reserves the right to cancel its contract with the student due to the closure of a course. Where a course/programme of study is cancelled by the College, (for example due to insufficient number of enrolled students), the student and/or their sponsor (who has elected to pay the tuition fees) will be notified in writing at least 7 days before the course/programme of study start date and a full refund will be made by the College.
- 2.3. Where, after enrolment, an individual proves unsuitable for the course/programme of study (e.g. due to a failed Disclosure and Barring Service check) the student will be informed as soon as possible, their enrolment will be cancelled, and a full refund will be made.
- 2.4. Where a course/programme of study is rescheduled by the College (for example, date/time) a full refund will be made if the applicant can no longer attend and a suitable alternative course is not available.

3. CANCELLATION DUE TO COURSE/PROGRAMME OF STUDY QUALITY ISSUES

3.1. Any claim for a fee refund due to a quality issue should be referred to the College's Assistant Principal for Quality & Performance and raised and dealt with in accordance with the College's Customer Service and Complaints Procedure 2020.

4. CANCELLATION AT THE REQUEST OF THE STUDENT

4.1. Any student who wishes to cancel or withdraw their enrolment contract with the College is required to immediately speak to their course manager or the Student Records office if the course has not yet commenced, who will manage the withdrawal process.

5. LIABILITY TO PAY FEES WHERE A STUDENT CANCELS

5.1. The Contract is binding on a student when the College writes to the student to confirm their place at the College following the College's receipt of the student's acceptance of the College offer ("the Offer"). The Contract start date will be the date of the College's communication to the student.

5.2. All students have the statutory right to cancel their contract with the College within 14 days of the start date of the Contract ("the Cancellation Period") without giving any reason and without being liable for fees. After 14 days, students will be liable for fees.

5.3. If a student cancels within the Cancellation period, however, the College will reimburse to the student any payments made by the student up to that point without any undue delay, and in any event within 14 days of the student informing the College that they wish to cancel, and they will no longer be bound by their contract with the College.

5.4. The College may provide the student with services before the end of the Cancellation Period if the student requests the College to do so, for example, if the student is only applying to the College very soon before the Course is due to start, but this will not prevent a student from cancelling their contract with the College during the Cancellation Period. However, if a student decides to cancel the contract once the College has started to provide these services to the student, then the College will be entitled to deduct from any refund a fair amount to reflect the benefit of the services the student will actually have received until the student notified the College of the student's wish to cancel.
