

BSc (Hons) Canine & Feline Behavior and Welfare (Top Up)

UCAS Code: C866

The BSc/BSc (Hons) Canine and Feline Behaviour and Welfare (Top-Up) programme has been designed to equip students with the knowledge and skills to enter jobs associated with these companion animals. This programme has an emphasis on ethical, legal and professional standards of conduct for those working with canines and felines.

The programme also focuses on clinical behaviour science and training and how problem behaviours can

be managed and effectively treated. Areas relating to ethics and legislation and economic factors affecting the sustainability of the industry are particularly highlighted in the course. Students will study training and behaviour as well as the inter-relationship between the animals and humans. Knowledge of business principles and management skills is also developed, allowing students work effectively at management level within a company.
