PLACEMENT

This programme requires students to undertake 300 hours of work placement, with 150 completed each academic year. Work placement is completed with an external provider which is arranged by the student. All work placements are subject to a health and safety check by the college to ensure that placements are suitable and safe. Support can be made available via the module tutor to help locate a suitable placement

ASSESSMENT

Assessments will be designed to give students the opportunity of performing tasks that they would be asked to do in employment. There are a range of assessment methods used, including reports, case studies, presentations and exams. Typically each module involves two assessments

IN COURSE COSTS

Students are typically provided with the opportunity to take part in international study tours to a variety of locations and will be expected to plan and undertake an expedition of their choosing (self funded).

AFTER THE COURSE

On successful completion, students may wish to consider progressing onto the top-up course, allowing students to graduate with a BSc(Hons) degree.

Students alternatively may wish to consider careers in a variety of industries focused on outdoor leadership, coaching and education.

ENTRY REQUIREMENTS

Applicants should have achieved 48 UCAS points plus 5 GCSEs including English, Maths and Science at grade C/4 or above. In addition applicants must have successfully completed a minimum of one year of Level 3 study and/or have significant industry experience. Equivalent qualifications may be accepted in lieu of GCSEs. An initial assessment process may be used to inform the College of your current status.

Some students may be asked to attend an interview.

We welcome external applications with advanced standing and accreditation of prior learning (APEL) which will be discussed upon application.
