

FdSc Innovative Agricultural Enterprise with Management

UCAS Code: D4U6

The FdSc Innovative Agricultural Enterprise with Management is structured to provide you with a blend of the essential technical knowledge, academic and management skills required to successfully plan, operate and manage an agricultural enterprise.

The course will develop your knowledge and understanding of different areas of enterprise management, including; agri-business, marketing, human resource management, innovative practice and land based law, whilst having access to state of the art agricultural facilities.

The full-time modular programme is delivered over two years using a blended approach to delivery providing you with the flexibility to gain industry experience in agriculture whilst continuing with your education and training. At the end of your studies you will have the skills to be set up, plan, operate and run an agricultural enterprise or to work in a management position.

UCAS Code: D4U6

external provider which is arranged by the student. All work placements are subject to a health and safety check by the college to ensure that placements are suitable and safe. Support can be made available via the module tutor to help locate a suitable placement.

ASSESSMENT

Assessments will be designed to give students the opportunity of performing tasks that they would be asked to do in employment. There are a range of assessment methods used, including reports, case studies, presentations and exams. Typically each module involves two assessments.

IN COURSE COSTS

Students are typically provided with the opportunity to take part in international study tours to a variety of locations.

AFTER THE COURSE

On successful completion, students may wish to consider progressing onto one of the University Centre's top-up courses, allowing students to graduate with a BSc or BSc(Hons) degree.

At the end of your studies you will have the skills to be set up, plan, operate and run an agricultural enterprise or to work in a management position

ENTRY REQUIREMENTS

Applicants should have achieved 48 UCAS points plus 5 GCSEs including English, Maths and Science at grade C/4 or above. In addition applicants must have successfully completed a minimum of one year of Level 3 study and/or have significant industry experience. Equivalent qualifications may be accepted in lieu of GCSEs. An initial assessment process may be used to inform the College of your current status. Some students may be asked to attend an interview.

We welcome external applications with advanced standing and accreditation of prior learning (APEL) which will be discussed upon application.
