Equality Impact Assessment: Askham Bryan College recognises the importance of the Equality Act 2010 and its duties under the Act. This document has been assessed to ensure that it does not adversely affect staff, students or stakeholders on the grounds of any protected characteristics.

1. INTRODUCTION

- 1.1.** The Governors and Staff at Askham Bryan College regard each learner as a unique individual and therefore seek to support learner development in ways which will foster security, confidence and independence. We recognise that high self-esteem, peer support, a secure College environment and clear lines of communication with trusted adults helps all young people and adults, particularly those at risk or suffering abuse. These are regarded as central to the wellbeing of the individual and are therefore seen to be an intrinsic part of all aspects of the curriculum and ethos. The College is committed to safeguarding, to creating a culture of vigilance and maintaining a safe and secure environment for all our students and will ensure that action is taken to support them if abuse is suspected.
- 1.2.** In order to safeguard and promote the welfare of children, young people and vulnerable adults, the College will act in accordance with the following legislation and guidance:
- Children Acts 1989 and 2004;
 - Education Act (2002);
 - Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (September 2018);

of children and vulnerable adults.

1.4. Within the College any student (child or adult) in danger of radicalisation or demonstrating extremist tendencies (violent or non-violent) is deemed to be vulnerable and appropriate support will be sought under the PREVENT strategy or through CHANNEL.

1.5. This Policy focuses on the protection of Children and Vulnerable Adults. This document covers the procedure for dealing with suspicions or allegations of abuse. It outlines in more detail the actions required to protect our students while studying at College, when they are living in the College's residential accommodation and when students are in any work-based placements, including apprenticeships, NVQs and Diplomas and during periods of work experience. The Safeguarding Policy and Procedures should be read in conjunction with the College's HR policies and procedures including Recruitment and Selection, DBS Policy and procedure, Professional Standards, Student Behaviour Management Policy, Bullying and Harassment policy.

1.6. Children are those students under 18 years of age who may be on a:

- 16-18 study programme (including those in Residential provision), traineeship or apprenticeship.

1.7. Vulnerable Adults

The Safeguarding Vulnerable Groups Act 2006 defines a 'vulnerable adult' as a person aged 18 and over and:

- Receiving a social care service;
- Receiving a health service;
- Living in sheltered accommodation;
- Detained in custody or under a probation order;
- Requiring assistance in the conducting of his/her affairs;
- Receiving a service or participating in an activity targeted at older people with disabilities or with physical or mental health conditions; or
- OR any adult whose circumstances make them vulnerable at a specific time.

1.8. The Police Act 1997 (Enhanced Criminal Record Certificates) (Protection of Vulnerable Adults) Regulations 2013 require employers to carry out Disclosure and Barring Service checks before employees are allowed to come into contact with vulnerable adults. The College is required under this legislation to apply for an enhanced check from the Disclosure and Barring Service (DBS) for staff working with such students.

1.9. It is College policy that all newly recruited staff are required to undergo a DBS enhanced check. All staff are required to complete a DBS declaration as part of the annual appraisal process.

1.10. Children with special educational needs and disabilities:

1.10.1. Children with special educational needs (SEN) and disabilities can face additional

safeguarding challenges. College policy and approach to safeguarding reflects the fact that additional barriers can exist when recognising abuse and neglect in this group of children. These can include:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration;
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs;

2. DEFINITIONS: WORKING TOGETHER TO SAFEGUARD CHILDREN (DfE 2018)

Safeguarding and promoting the welfare of children is defined as:

- protecting children from maltreatment;
- preventing impairment of children's health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

Child Protection is defined as:

- Part of safeguarding and promoting welfare. This refers to the activity that is undertaken to protect specific children who are suffering, or are likely to suffer, significant harm.

Definitions of Abuse are given at Appendix 3.

3. COLLEGE STRATEGY

3.1. The College will:

- Take all appropriate actions to address concerns about the welfare of children and vulnerable adults;
- Work in line with local policies and procedures in partnership with other local agencies, particularly the 'local safeguarding partners' as defined in Working Together to Safeguard Children 2018 i.e. the Local Authorities, Clinical Commissioning Groups and the Chief(s) of Police;
- Plan, implement, monitor and review policies and procedures to ensure that all is being done to provide a safe environment for children and vulnerable adults in the College;
- Take a preventative approach to protecting children and vulnerable adults from potential harm, damage, radicalisation or being drawn into terrorism (violent and non-violent extremism); and
- Take all reasonable measures to ensure that risks of harm to children and vulnerable adult's welfare is minimised as appropriate:
 - Risk assessment and management;
 - Health and Safety procedures;

- Reacting to and reporting abuse.

4. POLICY STATEMENT

The Executive Team will ensure that:

- 4.1.** All College staff, including contractors, have a collective and individual duty of care to ensure that staff fulfil their responsibilities to prevent the abuse of children and vulnerable adults, to refer any abuse discovered or suspected and to prevent students from being drawn into terrorism.
- 4.2.** The College operates safe recruitment procedures and ensures that all appropriate checks are carried out on new staff including volunteers who will work or come into contact with children ensuring compliance with the statutory requirements. The Recruitment and Selection policy specifics the criminal disclosure procedure and this is monitored by the Human Resources Department. At least one of the interviewers when interviewing for new staff will have completed Safer Recruitment training where possible.
- 4.3.** The College complies with the Education (Restriction of Employment) Regulations 2000 and report to the appropriate authorities when a person is dismissed, or resigns in circumstances which would have led to their dismissal, on grounds of misconduct.
- 4.4.** A member of the College Executive Team is designated to carry overall responsibility for the protection of students (i.e. the Designated Safeguarding Lead) who will report annually to the Corporation on Safeguarding. Any issues of immediate concern will be reported to the Designated Safeguarding Lead of the College as and when they arise.
- 4.5.** The College will work with appropriate agencies and will liaise with the Local Safeguarding Partners for the purposes of establishing and updating procedures, co-ordinating training and sharing information. The procedures are reviewed annually.
- 4.6.** The College recognises that any child or vulnerable adult can be subject to abuse or radicalisation and all allegations of abuse or concerns about radicalisation will be taken seriously and treated in accordance with the College's procedures.
- 4.7.** The Safeguarding Policy and Procedure will be made available to all parents/carers (via the College website).
- 4.8.** A team of Safeguarding Officers is nominated who will act as a first point of contact for other staff on safeguarding issues and will be responsible for co-ordinating action within the College and liaising with other agencies; contributing to a coordinated approach to safeguarding by developing effective liaison with other agencies and support services. The names and contact details are listed at Appendix 1.

SAFEGUARDING POLICY SCA6

- 4.9.** The role and responsibilities of the Safeguarding team members are specified and ensure that they are trained and developed to carry out the role.
- 4.10.** All staff are aware of this policy and provide them with procedures for responding to situations in which they believe a student has been abused or is at risk of abuse. The College recognises that it is the responsibility of all staff to act upon any concern, no matter how small or trivial it may seem. This will include procedures to be followed if a member of staff is accused of abuse.
- 4.11.** All staff have read and understood Keeping Children Safe in Education Part 1.
- 4.12.** All members of staff undergo appropriate training and development. Members of the Corporation, the Senior Management Team (SMT) and all other staff who work with students will undertake training to equip them to carry out their responsibilities for safeguarding children and vulnerable adults effectively including the PREVENT strategy. All new employees undertake training as part of the induction process, including completion of an online safeguarding module.
- 4.13.** All staff will be kept up to date by refresher training every 3 years. There will be regular updates provided as required, but at least annually.
- 4.14.** The Safeguarding team will undertake refresher training every two years to keep their knowledge and skills up to date, this will include providing appropriate supervision.
- 4.15.** All Corporation members undergo a DBS Enhanced check.
- 4.16.** The Residential team will have specific training in line with the requirements of the Social Care Common Inspection Framework.
- 4.17.** Accurate records of safeguarding concerns and all incidents are kept and maintained in a secure place, all referred cases will be within ProMonitor for monitoring purposes.
- 4.18.** Students are informed about relevant sources of information, advice and support and play a part in the prevention of abuse through personal and social education. Information and sources of support are made available to students through leaflets, posters and a variety of media throughout the College.
- 4.19.** All those responsible for assessing workplaces in advance of work experience placements, traineeships or apprenticeships undertake a Health and Safety Risk Assessment of the workplace to assess whether appropriate safety measures are in place prior to a student commences at the work place. If they are not, the student will not be allowed to commence.

6. STAFF CONCERNS ABOUT THE COLLEGE POLICY / PROCEDURES

- 6.1.** If staff have any concerns about unsafe practice or potential failures in the College's safeguarding regime they should contact the Chief Executive. The NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding child protection failures internally. Email: help@nspcc.org.uk

7. USE OF EXTERNAL CONTRACTORS

- 7.1.** Where Contractors are employed by the College, it is the responsibility of the Deputy Designated Safeguarding Lead to ensure that any contractor, or any employee of the contractor, who is to work at the school or college, has been subject to the appropriate level of DBS check. Contractors engaging in regulated activity will require an enhanced DBS certificate (including barred list information). For all other contractors who are not engaging in regulated activity, but whose work provides them with an opportunity for regular contact with children, an enhanced DBS check (not including barred list information) will be required.⁸⁴ In considering whether the contact is regular, it is irrelevant whether the contractor works on a single site or across a number of sites. For those providing a service (e.g. for catering, cleaning) all employees should be DBS checked.
- 7.2.** For contractors engaged to undertake work on a short-term basis (eg builders), risk assessments are carried out. Contractors in respect of whom no checks have been obtained will not be allowed to work unsupervised, or engage in regulated activity. A risk assessment will be undertaken, entry and exit routes of contractors are agreed, and they are not allowed to leave their work place except at agreed times. The DSL, where required, will be responsible for determining the appropriate level of supervision depending on the circumstances.
- 7.3.** If a contractor working at a College is self-employed, the DSL should consider obtaining the DBS check, as self-employed people are not able to make an application directly to the DBS on their own account.
- 7.4.** Reception staff will always check the identity of contractors and their staff on arrival at College.

8. THE PREVENT STRATEGY (SEE ALSO APPENDIX 2)

- 8.1.** The College raises awareness of specific vulnerabilities in order to ensure that staff are supported to recognise the signs and symptoms related to specific forms of abuse. This includes radicalisation/ violent extremism including (but not restricted to) those linked to Islamist ideology or far right/ neo Nazi/ white supremacist ideology, Irish nationalist or loyalist paramilitary groups and extremist animal rights movements. The Safeguarding team liaise with the police and the Prevent team over matters related to students and staff concerning violent extremism/ radicalisation. All staff undertake WRAP (Prevent) training and SMT are updated about students who are supported through the Channel network.
- 8.2.** Assessing Risk – all people who are believed to be engaged in or planning to be engaged in any form of extremist activity, or their behaviour causes a concern, must be referred to the Prevent Lead (Director of Student Services). Normally a member of the Safeguarding Team will make the referral but any staff member can do so if they wish. The PCSO and other statutory organisations will be informed as appropriate.

9. ONLINE SAFETY

9.1. College IT policies and processes and the College tutorial programme reflect the need to protect and educate the whole College community in their use of technology and establishes mechanisms to identify, intervene in and escalate any incident where appropriate. This is a reflection of the fact that the use of technology has become a significant component of many safeguarding issues. Child sexual exploitation; radicalisation; sexual predation: technology often provides the platform that facilitates harm. The breadth of issues classified within online safety is considerable, but can be categorised into three areas of risk:

- content: being exposed to illegal, inappropriate or harmful material;
- contact: being subjected to harmful online interaction with other users; and
- conduct: personal online behaviour that increases the likelihood of, or causes, harm.
For further guidance, see RE16 E-Safety Policy

9.2. Filters and monitoring

Whilst considering our responsibility to safeguard and promote the welfare of children, and provide them with a safe environment in which to learn, the College has considered the age range of our students, the number of students, how often they access the IT system and the proportionality of costs vs risks. This will be informed in part by the risk assessment required by the Prevent Duty. As part of this process, College ensures that, as far as possible, it has appropriate filters and monitoring systems in place.

10. INFORMATION SHARING

In line with the principles set out in ‘Information Sharing: Advice for practitioners providing safeguarding services to children, young people, parents and carers (July 2018), the College recognises that:

Version: August 2018	Next Review: September 2019	Author: Director of Student Services	SMT Owner: Director of Student Services
----------------------	-----------------------------	--------------------------------------	---

SAFEGUARDING POLICY SCA6

- The GDPR and Data Protection Act 2018 do not prevent, or limit, the sharing of information for the purposes of keeping children and young people safe.

To effectively share information:

- College staff should be confident of the processing conditions, which allow them to store, and share, the information that they need to carry out their safeguarding role. Information which is relevant to safeguarding will often be data which is considered 'special category personal data' meaning it is sensitive and personal.
- Where College staff need to share special category personal data, they should be aware that the Data Protection Act 2018 includes 'safeguarding of children and individuals at risk' as a condition that allows practitioners to share information without consent.
- Information can be shared legally without consent, if the staff member is unable to, or cannot be reasonably expected to gain consent from the individual, or if to gain consent could place a child at risk.
- Relevant personal information can be shared lawfully if it is to keep a child or individual at risk safe from neglect or physical, emotional or mental harm, or if it is protecting their physical, mental, or emotional well-being.

Child protection files

Where children leave the College the DSL should ensure their child protection file is transferred to any new school or College as soon as possible. This should be transferred separately from any other student records, ensuring secure transit, and confirmation of receipt should be obtained. As a receiving College, the DSL should ensure key staff are aware as required.

In addition to the child protection file, the DSL should also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving. For example, information that would allow the new school or college to continue supporting victims of abuse and have that support in place for when the child arrives.

11. USE OF FORCE TO CONTROL OR RESTRAIN

The College approach to the use of force to control or restrain students where necessary is contained within the Policy SCA17 'Use of force to control or restrain'.

12. REVIEW AND MONITORING

The Safeguarding Policy is reviewed annually and its provisions monitored by the governing body with input from SMT and from the Learner Voice.

APPENDIX 2: PREVENT STRATEGY

1. Purpose

The purpose of this strategy is to outline our approach to supporting the national 'Prevent' Agenda linked to the safeguarding of our students and staff. This Strategy is written with reference to the Prevent Duty contained within Section 26 of the Counter Terrorism and Security Act 2015. The Duty states that specified authorities including Further Education Colleges, in the exercise of their functions, must have "due regard to the need to prevent people from being drawn into terrorism."

2. Context

The aim of this strategy is to:

- Develop an awareness of Prevent in the College
- Recognise current practice which contributes to the Prevent agenda
- Identify areas for improvement
- Develop a coordinated action plan

3. Awareness of Prevent Agenda

- 3.1. Prevent is 1 of the 4 elements of 'CONTEST', the government's counter-terrorism strategy. The 4 elements are: Pursue, Protect, Prepare and Prevent. It aims to stop people becoming terrorists or supporting terrorism.
- 3.2. The Prevent strategy responds to the ideological challenge we face from terrorism and aspects of extremism, and the threat we face from those who promote these views.
- 3.3. It provides practical help to prevent people from being drawn into terrorism and ensure they are given appropriate advice and support.
- 3.4. It works with a wide range of sectors (including education, criminal justice, faith, charities, online and health) where there are risks of radicalisation.
- 3.5. It covers all forms of terrorism, including far right extremism and some aspects of non-violent extremism.

4. College practice which contributes to Prevent

- 4.1. The College Safeguarding Policy features reference to the Prevent agenda and all current and future Safeguarding officers will have participated in Prevent training.
- 4.2. The College has strong links with regional Prevent Coordinators and local Police. The Student Services Manager and College Designated Senior Lead for Safeguarding have the details for contacting 'CHANNEL' a process which supports people at risk of being drawn

into terrorism). The College also has close links with Police Community Support Officers who attend the College on a regular basis to normalise police presence and help maintain trust between students and the police service.

- 4.3. All members of staff and subcontractors complete Prevent training. Subcontractors are also required to undertake Prevent training and this is facilitated by the College.
- 4.4. All College employees have Prevent training, this is covered in the induction session and staff are required to complete an on-line module.
- 4.5. Corporation members undertake Prevent training.
- 4.6. Our work to promote Equality and Diversity within College, incorporates British Values, contributes to good community relations and reduces the risk of radicalisation.
- 4.7. Mainstream political parties are invited in to College to support democracy related events. The College will not allow representation at such events, from parties with extreme views which promote violence or intolerance.
- 4.8. Guidelines for the use of visiting speakers within the curriculum, for cross College events and as part of any external lettings//commercial hire.
- 4.9. Site-based risk assessments are updated annually to reflect any new identified risks.

APPENDIX 3: DEFINITIONS OF ABUSE

Definitions of Abuse

1. Definition of abuse updated in 'Keeping Children Safe in Education (KCSiE) September 2016, to reflect updated guidance, '**Abuse:** a form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm or by failing to act to prevent harm. Children may be abused in a family or in an institution or community setting by those known to them or, more rarely, by others (e.g. the internet). They may be abused by an adult or adults or another child or children”.
2. **Physical Abuse:** This form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.
3. **Emotional abuse:** This is the persistent emotional maltreatment of a child such as to cause severe and adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child the opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment or another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, although it may occur alone.
4. **Sexual abuse:** This involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children looking at, or in the production of, sexual images, watching sexual images, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet). Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.
5. **Neglect:** This is the persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter and failure to protect a child from physical and emotional harm or danger. It is also failure to ensure adequate supervision or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child’s basic emotional needs.

SAFEGUARDING POLICY SCA6

6. Significant Harm: Some children are in need because they are suffering or likely to suffer significant harm. The Children Act 1989 introduced Significant Harm as the threshold that justifies compulsory intervention in family life in the best interests of children.

7. Additional forms of Abuse

7.1. Peer on Peer abuse: staff should recognise that children are capable of abusing their peers. Abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”; this is most likely to include, but may not be limited to, bullying (including cyberbullying), gender based violence/sexual assaults and sexting.

The College will take any concerns of this nature very seriously and the concerns should be raised and dealt with in the same way as any other concerns, directly to the Safeguarding team.

The SDSO will ensure that:

- procedures to minimise the risk of peer on peer abuse are in place and clear to all staff;
- staff are aware of how allegations of peer on peer abuse will be recorded, investigated and dealt with;
- there are clear processes as to how victims, perpetrators and any other child affected by peer on peer abuse will be supported;
- staff recognise the gendered nature of peer on peer abuse (i.e. that it is more likely that girls will be victims and boys perpetrators), but that all peer on peer abuse is unacceptable and will be taken seriously; and
- staff are aware of the different forms peer on peer abuse can take, such as:
 - sexual violence and sexual harassment.
 - physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm;
 - sexting (also known as youth produced sexual imagery):
 - initiation/hazing type violence and rituals

7.2. Teenage Relationship Abuse

Abuse in young people’s relationships can involve the same forms of controlling and coercive behaviour, physical, emotional, psychological, financial and sexual violence and abuse as seen in adult relationships.

7.3. Sexual violence and sexual harassment between children

Receiving a report

College staff will ensure that any report of peer on peer sexual violence or sexual harassment will be handled with sensitivity and in the same manner as any safeguarding referral re confidentiality, note-taking etc. Where possible, two members of staff will be present at the time of the report/disclosure, including a Designated Safeguarding Officer. Where the report includes an ‘online’ element, staff will follow the UKCCIS guidance on

sexting and images.

Risk assessment

When there has been a report of sexual violence, the DSL or DSO should make an immediate risk and needs assessment. Where there has been a report of sexual harassment, the need for a risk assessment should be considered on a case-by-case basis. The risk and needs assessment should consider:

- the victim, especially their protection and support;
- the alleged perpetrator; and
- all the other children (and, if appropriate, adult students and staff) at College, especially any actions that are appropriate to protect them;

Risk assessments will be recorded (written or electronic) and should be kept under review. At all times, the school or college should be actively considering the risks posed to all their pupils and students and putting adequate measures in place to protect them and keep them safe.

The DSL or DSO will ensure they are engaging with children's social care and specialist services as required.

Considerations

The DSL/DSO will consider:

- the wishes of the victim in terms of how they want to proceed. This is especially important in the context of sexual violence and sexual harassment. Victims should be given as much control as is reasonably possible over decisions regarding how any investigation will be progressed and any support that they will be offered;
- the nature of the alleged incident(s), including: whether a crime may have been committed and consideration of harmful sexual behaviour;
- the ages of the children involved;
- the developmental stages of the children involved;
- any power imbalance between the children. For example, is the alleged perpetrator significantly older, more mature or more confident? Does the victim have a disability or learning difficulty?;
- if the alleged incident is a one-off or a sustained pattern of abuse;
- are there ongoing risks to the victim, other children, adult students or school or college staff;
- other related issues and wider context, including contextual safeguarding considerations

Version: August 2018	Next Review: September 2019	Author: Director of Student Services	SMT Owner: Director of Student Services
----------------------	-----------------------------	--------------------------------------	---

- Immediate consideration should be given as to how best to support and protect the victim and the alleged perpetrator (and any other children involved/impacted).

Managing reports

It is important to consider every report on a case-by-case basis. When to inform the alleged perpetrator will be a decision that should be carefully considered. Where a report is going to be made to children's social care and/or the police, then, as a general rule, the DSL/DSO should speak to the relevant agency and discuss next steps and how the alleged perpetrator will be informed of the allegations. However, as per general safeguarding principles, the DSL/DSO will take immediate action to safeguard their children, where required. There are four likely scenarios for College to consider when managing any reports of sexual violence and/or sexual harassment.

1. Manage internally
2. Early help
3. Referrals to children's social care
4. Reporting to the Police

Further guidance, including guidance on managing the College position during any criminal investigation and how to continue to safeguard the alleged victim and alleged perpetrator on an ongoing basis (eg if in the same class, both residential) can be obtained at:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/719902/Sexual_violence_and_sexual_harassment_between_children_in_schools_and_colleges.pdf

8. Child Sexual Exploitation is a form of sexual abuse where children are sexually exploited for money, power or status. It can involve violent, humiliating and degrading sexual assaults. In some cases, young people are persuaded or forced into exchanging sexual activity for money, drugs, gifts, affection or status. Consent cannot be given, even where a child may believe they are voluntarily engaging in sexual activity with the person who is exploiting them. Child sexual exploitation does not always involve physical contact and can happen online.

9. 'Honour based' violence

So-called 'honour-based' violence (HBV) encompasses crimes which have been committed to protect or defend the honour of the family and/or the community, including Female Genital Mutilation (FGM), forced marriage, and practices such as breast ironing. All forms of so called HBV are abuse (regardless of the motivation) and should be handled and escalated as such. If in any doubt, staff should speak to the designated safeguarding lead.

10. Female Genital Mutilation (FGM) is an unacceptable form of abuse and violence against girls and women; it comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the

SAFEGUARDING POLICY SCA6

Serious Crime Act 2015) places a statutory duty upon **teachers** along with regulated health and social care professionals in England and Wales, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Under the updated Keeping Children Safe in Education, Sept 2016 ' **Teachers must personally report to the police cases where they discover that an act of FGM appears to have been carried out.** In the College this can be done with support of the Safeguarding team.

11. Forced Marriage

Forcing a person into a marriage is a crime in England and Wales. A forced marriage is one entered into without the full and free consent of one or both parties and where violence, threats or any other form of coercion is used to cause a person to enter into a marriage. Threats can be physical or emotional and psychological.

12. Child criminal exploitation: County Lines

Criminal exploitation of children is a geographically widespread form of harm that is a typical feature of county lines criminal activity: drug networks or gangs groom and exploit children and young people to carry drugs and money from urban areas to suburban and rural areas, market and seaside towns. Key to identifying potential involvement in county lines are missing episodes, when the victim may have been trafficked for the purpose of transporting drugs and a referral to the National Referral Mechanism (via national crime agency human-trafficking) should be considered. Like other forms of abuse and exploitation, county lines exploitation:

- can affect any child or young person (male or female) under the age of 18 years;
- can affect any vulnerable adult over the age of 18 years;
- can still be exploitation even if the activity appears consensual;
- can involve force and/or enticement-based methods of compliance and is often accompanied by violence or threats of violence;
- can be perpetrated by individuals or groups, males or females, and young people or adults; and
- is typified by some form of power imbalance in favour of those perpetrating the exploitation. Whilst age may be the most obvious, this power imbalance can also be due to a range of other factors including gender, cognitive ability, physical strength, status, and access to economic or other resources.

13. Abuse of Vulnerable Adults (Source: Care Act 2014)

13.1. Physical abuse – including assault, hitting, slapping, pushing, kicking, misuse of medication, restraint, or inappropriate physical sanctions.

13.2. Domestic violence – including psychological, physical, sexual, financial, emotional abuse, so called 'honour' based violence.

13.3. Sexual abuse – including rape, indecent exposure, sexual harassment, inappropriate looking or touching, sexual teasing or innuendo, sexual photography,

subjection to pornography or witnessing sexual acts, indecent exposure and sexual assault or sexual acts to which the adult has not consented or was pressured into consenting.

- 13.4. Psychological abuse** – including emotional abuse, threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, cyberbullying, isolation or unreasonable and unjustified withdrawal from services or supportive networks.
- 13.5. Financial or material abuse** – including theft, fraud, internet scamming, coercion in relation to an adult’s financial affairs or arrangements, including in connection with wills, property, inheritance or financial transactions, or the misuse or misappropriation of property, possessions or benefits.
- 13.6. Modern Slavery** – encompasses slavery, human trafficking, and forced labour and domestic servitude. Traffickers and slave masters use whatever means they have at their disposal to coerce, deceive and force individuals into a life of abuse, servitude and inhumane treatment.
- 13.7. Discriminatory abuse** – including forms of harassment, slurs or similar treatment; because of race, gender and gender identity, age, disability, sexual orientation or religion.
- 13.8. Neglect and acts of omission** – including ignoring medical, emotional or physical care needs, failure to provide access to appropriate health, care and support or educational services, the withholding of the necessities of life, such as medication, adequate nutrition and heating.
- 13.9. Self-Neglect** – this covers a wide range of behavior neglecting to care for one’s personal hygiene health or surroundings and includes behavior such as hoarding.
- 13.10. Radicalisation** – The College addresses the Prevent agenda by working closely with the police and specialist teams over matters related to students and staff concerning violent extremism and radicalisation.
